

Control Risks

Victor Ferreira
Senior Consultant
Global Services

Victor Ferreira joined Control Risks in June 1998. In his current role Victor focuses on business development within the federal, state and local government sectors. He has also worked with hundreds of clients in developing and implementing corporate travel security programs and tools, to reduce risks to business travelers. This included the online services *CityBrief*, *Country Risk Forecast*, CRTravelTracker and our 24-hour global support hotline, CR24™.

Prior to joining Control Risks, Victor was an account manager at a Miami based firm which assisted small to medium sized American manufacturers enter the Brazilian market. Victor also worked for the Portugal-US Chamber of Commerce, promoting the Portuguese market to US companies. More recently at the Corporate Executive Board, Victor worked closely with CFO's of major corporations around the world ensuring they were compliant and developing their finance staff to meet industry standards.

Victor is fluent in Portuguese, has a Bachelor's degree in International Business from George Washington University, and an M.B.A. in international Marketing from Northeastern University. He is also a member of ASIS and APMP.
